Opener/Middle/Closer

Sides Face Grand Square

*I remember when rock was young, me and Suzi had so much fun, holding hands and skimmin' stones had an old gold Chevy

Allemande Left and Weave the Ring

But the biggest kick I ever got **Swing the Lady Promenade on home while the other kids were rockin' around the clock we were hoppin' to the crocodile rock

Figure: Heads twice & Sides twice

Well now those **Heads (Sides) Square Thru** count them four hands around **Do-Sa-Do** that corner one time around, **Touch a Quarter** then **Walk and Dodge, Partner Trade** and do a **Right and Left Thru, Flutter Wheel** rollin' round that old ring, **Slide Thru, Swing the Corner, Promenade** while the other kids were rockin' around the clock, we were hoppin' to the crocodile rock.

Alternate Lyrics

*But the years went by and the rock up and died Suzi went and left me for some other guy, long I'm cryin' by the record machine

**But they'll never kill the thrills we got.
