*Pick me up on your way down when you're blue and all alone when their glamour starts to bore you come on back where you belong, *Allemande and Weave* You may be their pride and joy, but they'll find another toy, *Promenade*

**And they'll take away your crown; pick me up on your way down.

*They have change your attitude, made you honey oh so rude, your new friends can take the blame, underneath you're still the same, *Allemande and Weave*, when you learn these things are true, I'll be waiting here for you, *Promenade*

**As you tumble to the ground, pick me up on your way down.
