**Opener**

Sides face Grand Square

First when there's nothing but a slow glowing dream that your fears  
seem to hide deep inside

Allemande left and weave

All alone I have cried silent tears full of pride, in a world made of  
steel, made of stone

**Figures**

Heads ( Sides ) promenade half way round, Down the middle square  
thru four, right and left thru,

veer left, ferris wheel, centers square thru three, swing and  
promenade, In a world made of steel, made of stone

**Middle Break**

Sides face grand square

What a feeling- bein's believing, I can have it all now I'm dancing for  
my life

Allemande left and weave

Take your passion, make it happen, pictures come alive you can  
dance right thru your life

**Closer**

Sides face grand square

What a feeling- bein's believing, I can have it all now I'm dancing for  
my life

Allemande left and weave

Take your passion, make it happen, pictures come alive you can  
dance right thru your life
