Opener

Sides face Grand Square

*Call you up in the middle of the night
Like a firefly without a light*

You were there like a slow torch burning

*I was a key that **Allemande Left and Weave***

So tired that I couldn't even sleep

Swing and Promenade *(So many secrets) I couldn't keep*

Promised myself I wouldn't weep

One more promise I couldn't keep

Figure:

Heads (Sides) Promenade it's halfway go

Down the middle square through count 4

Go all the way, Swing Through and the boys run right and Ferris Wheel

Square Through count to three, Swing and Promenade for me.

Seems like I should be getting somewhere

Somehow I'm neither here nor there

Middle Break

Sides Face Grand Square

It seems no one can help me now

I'm in too deep

There's no way out

This time I have really led myself astray

Allemande Left and Weave

Runaway train never going back

Wrong way on a one way track

Seems like I should be getting somewhere

Somehow I'm neither here nor there

Closer:

Sides face Grand Square

Runaway train never comin' back

*Wrong way on a one way track
Seems like I should be getting somewhere
Somehow I'm neither*

Allemande Left and Weave

*Runaway train never comin' back
Runaway train tearing up the track
Runaway train burning in my vein
Runaway but always seems the same*
